In the course of our business we are daily receiving requests from our correspondents (Banks in other sections) to make deposits for them for returns on Nickels etc. Lately our messengers have been unable to make such deposits & to day was not allowed to enter the room. No satisfactory answer was given him. We should always like to be able

to return to other Banks an intelligible answer to their requests & trust by bringing this to your notice we may be able to do so in future

Very truly Yours
